## A Vision to Multiply in 2024 – Prayer Focus

The Lord doesn't want us to stop! Would you pray with us that VBM will train and send missionaries to the following mission fields in desperate need of a gospel witness?

**Abdoul**  
Burkina Faso, West Africa

## ▶ How Can We Multiply the Mission Together?

And how shall they preach, except they be sent? Romans 10:15

**It costs Vision Baptist Missions  
\$4,500 per year to train a missionary**

Would you pray for laborers?

Would you become a Training Partner?

Training Partners are individuals, churches, or businesses who commit to give \$375 per month or \$4,500 per year to train missionaries. To find out more go to [visionmissions.com/partner](https://visionmissions.com/partner).

# Prayer Guide

In 2024, VBM is praying for missionaries for the following 16 areas of the world that are in great spiritual need or present a special gospel opportunity. Would you pray with us?

- **Bangladesh**

The eighth most populous country in the world with 185 million people in an area the size of Alabama.

- **Bogotá, Colombia**

The third most populous city in Latin America with 8.2 million people.

- **Botswana, Africa**

2.6 Million people strategically located near South Africa.

- **Buenos Aires, Argentina**

The seventh most populous city in Latin America with 3.1 million.

- **China**

A creative access country of 1.4 billion people.

- **Germany**

The second most populous country in Europe with 83 million people.

- **India**

A creative access country of 1.4 billion people.

- **Italy**

The fifth most populous country in Europe with 59 million people.

- **Japan**

Less than 3% of the 125 million people are Christian. This country is wide open for the gospel.

- **Namibia, Africa**

2.6 Million people strategically located near South Africa.

- **Nigeria, Africa**

The most rapidly growing country, projected to become the third largest in the world by 2050.

- **Northeast, N. America**

Cities like Toronto, New York City, Boston, Philadelphia, and Albany are in great need of churches.

- **Northwest, N. America**

Cities like Seattle, Portland, and Vancouver are in great need of churches.

- **Rio de Janeiro, Brazil**

The fourth most populous city in Latin America with 6.7 million people.

- **Thailand**

Less than 2% of the 72 million people are Christian. This country is wide open for the gospel.

- **United Kingdom**

The third most populous country in Europe with 68 million.

## Details by the Numbers
